About The Program

Tuition Rewards is an incredibly unique reward program where you earn points that can be redeemed for **guaranteed discounts off of tuition** at more than 360 participating private colleges and universities (and the number is growing).

The guaranteed discount is worth up to **25% off** of the cost of 4-year undergraduate list price tuition. In 2016, participating high school seniors submitted Tuition Rewards points valued at \$62.1 million to member colleges and universities.

The program is for private, not-for-profit, colleges and universities only. State and other publicly controlled schools are not eligible for the Tuition Rewards program.

This program is for four year, degree granting institutions only. Two year schools, trade schools and other non-degree granting schools are not eligible to join.

The numbers shown below represent the current maximum amount of Tuition Rewards accepted by the college or university.
