

WORK OPPORTUNITY TAX CREDIT (WOTC)

**EXTENDED THROUGH
2019**

This federal tax credit reduces the federal tax liability of employers who hire individuals from target groups. These individuals are considered to face barriers to hire, target groups include:

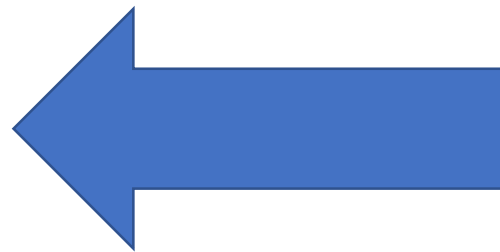

- Veterans
- TANF Recipients
- Ex-felons
- SNAP (Food Stamp) Recipients
- Designated Community Residents (living in federal zones and/or renewal communities)
- Vocational Rehabilitation Referral
- Supplemental Security Income Recipients
- Summer Youth Employee (in Empowerment Zones)
- Long Term Unemployed

Hiring Incentives!

Currently servicing over 40,000 locations for all available federal, state and local hiring-related tax credits

Credits Available – Do you take advantage of this now?

Receives SNAP (food stamps)	\$2,400

Plus LOCATION BASED INCENTIVES

Many other programs exist at the federal, state and local level as well, that require redundant information. The HIREtech platform can easily integrate most state programs in conjunction with your WOTC screening to maximize your results. Some examples of federal, state and local programs are listed below:

- Federal EZ
- Training Grants
- Native American Credit
- Negotiated Incentives
- Statutory State and Local Programs
